THE CODi DIFFERENCE

CRISP AUTOFOCUS

The Falco's autofocus is snappy, and clear, making sure your picture is always crisp, no matter how much you move around

PLUG AND PLAY

While many webcams require additional software installation, and have confusing interfaces, the CODi Falco is as simple as plugging it in, and within seconds, will be ready to use.

VIVID COLOR

The CODi Falco performs well in low light, and delivers vivid, bright images and video, no matter what video conferencing or chat application you may use.

MOUNTING VERSATILITY

This webcam can mount on a laptop, desktop monitor, TV, a tripod, or simply sit on a desk, and it's compact size is discreet, and looks great too.
