

# ADJUSTABLE TRIPOD FOR CAMERA, WEBCAM, CAMCORDER

Mount and secure your digital camera, webcam or camcorder with the Adjustable Tripod from CODi. With standard 1/4" mounting screw works, this tripod works well with most digital cameras, Go Pros and webcams that have tripod mounting capability. Create unique angles in photos and video with a tripod that adjusts to 55" in height, giving you flexibility in crafting your work. A lightweight and compact design means easy portability for those on-the-go. Just adjust the legs for a slim fit into the included zippered storage bag. Live video
