

Aquila HD 1080P Fixed Focus Webcam

Get crystal clear video and audio as you work from home, attend virtual meetings, and stay in touch via Zoom, Teams, and Skype, using the Aquila 1080P HD Webcam from CODi. With a resolution of HD 1080P and a frame rate of 30 FPS, you'll be streaming sharp video, while automatic light correction delivers clarity in various lighting environments, including dim ones. A built-in mic allows your voice to be center stage. Furthermore, a diagonal field of view of 90° creates a superior image area. Compatible with Windows, Mac, and Chrome, the Aquila 1080P HD Webcam from CODi connects to your host system using a 5' plug-and-play USB 2.0 Type-A cable. Mount it using the integrated clip or a standard ¼ built-in screw mount.
